

Baby Kangas™

INSTRUCTION SHEET

1- Snap down the rise settings if desired. Do not snap down if you require the highest rise setting.

2- This is showing the Baby Kangas set on the middle rise setting.

3- Unzip the pouch.

4- Insert a JamTots one-size hemp stuffer or other insert of your choice.

5- Zip the pouch back up.

Your diaper is ready to use!

When the diaper is wet, simply unzip the pouch and shake the insert into the diaper pail. If the diaper is soiled, shake off any solids into the toilet and then remove the insert and place both the insert and the diaper in the diaper pail.

Washing Instructions

Store in a dry diaper pail between uses, do a cold soak, a warm or hot wash with a few teaspoons of regular liquid laundry detergent followed by 2 cold rinses. Throw in dryer or hang to dry.

Do not use any fabric softeners, bleaches or whiteners.
